FOR IMMEDIATE RELEASE

Stacey A. Fedorka Wins 2008 CIO of the Year Award

Pittsburgh, PA – February 21, 2008 - Union Switch & Signal Inc. (US&S) is proud to announce that Stacey A. Fedorka, was recently named the 2008 Chief Information Officer of the Year in the Enterprise category by the Pittsburgh Technology Council. This honor recognizes Fedorka's leadership in areas such as planning and deployment of enterprise systems and establishing a culture of creativity and service in her department.

As CIO of one of the leading IT organizations in the industry, Fedorka was the driving force behind a successful on-time and on-budget implementation of SAP. Fedorka also created an entirely new department – Business Systems Analysis – within US&S's IT organizational structure. With an innovative leader like Fedorka, US&S has established an IT organization that is unrivaled in character and quality, featuring industry-leading technology and equipment, and exceptional professional development and training.

PRESS RELEASE
